MISSION STATEMENT

Shomrim of Crown Heights is a neighborhood patrol organization made up entirely of volunteers whose mission is to help protect the streets of Crown Heights and to give aid to victims of crime.

Shomrim of Crown Heights is based in the Crown Heights section of Brooklyn, New York, a neighborhood comprised of ultra-Orthodox Hassidic Jews of the Chabad-Lubavitch movement alongside a large West Indian and African American population.

Founded in the 1960's Shomrim of Crown Heights is the evolution of the Maccabees – a first of its kind volunteer patrol – which was founded by residents of the neighborhood who were frustrated with an understaffed and ineffective police department which allowed residents to fall victims to violent crimes.

During the infamous anti-Semitic riots in 1991 Shomrim expanded its operations and today is the most veteran, respected and responsible organizations charged with providing residents with a reinforced sense of security.

Shomrim works closely with members of the New York City Police Department and other branches of law enforcement as well as emergency rescue personnel and many of our volunteers have received training by the NYPD, New York City's Office of Emergency Management and the Department of Homeland Security.

Shomrim of Crown Heights is a registered 501(c)3 non-profit entity and receives all of its financial support from donations. Shomrim of Crown Heights does not receive any city, state or federal funding.
